

The City of Mountain View Public Library
presents

Financial Planning For Special Needs Families

Special Needs families face financial challenges that extend beyond mainstream needs.

While most families are concerned with financing their house or saving for retirement,
Special Needs families must plan for two generations:
their own, as well as their children's.

James Lugannani, a financial advisor at USB Financial Services, will lead a free
interactive forum that discusses strategies to effectively navigate these challenges.

Friday, May 21, 4:00-5:30 pm
Mountain View Library Community Room
585 Franklin Street
Mountain View, CA 94041
